

# Beach Houses

Ocean's Edge.....  
private, secluded, peaceful, splendid,  
beautiful.

Our 2 beach houses are located in **southern Belize**, on the **Placencia Peninsula** at the northern end of Maya Beach.

Enjoy the rustic elegance of our secluded property, no neighbors on either side, offering you the utmost in privacy. Imagine a **beautiful beach front**, the Caribbean sun, the white sandy beach, the sound of the ocean waves, the shelter of a palapa, the breezy palm trees or a relaxing hammock on the beach. If you are looking for **complete privacy** and **total relaxation**, you have found it.

**Ocean's Edge... a serene, tropical delight.... yours to enjoy.**

This small English speaking country offers you a diversity of landscape as well as its people. The multi-cultures of Belize - Maya, Mestizo, Garifuna, Creole, Mennonite, Chinese & East Indian create a warm and friendly country.
